

Angelo E. Gousse, MD

Sept. 2015

Clinical Office: Bladder Health and Reconstructive Urology Institute
(BHRUI) 1951 SW 172nd Ave, Suite 305
Miramar, FL 33029
(Memorial Hospital – Medical Office Building)

Aventura Medical Office
21150 Biscayne Office, Suite 304
Aventura, FL 33180

P: (954) 362-2720 or (305) 606-7028
F: (954) 362-2761

Fellowship Director Director of Incontinence & Reconstructive Urology
1951 SW 172nd Ave, Suite 305
Miramar, FL 33029

Research Office: Bladder and Prostate Health Investigations, LLC
1951 SW 172nd Ave, Suite 305
Miramar, FL 33029

Website : www.bladder-health.net

Specialty: Urology

Citizenship: United States

HIGHER EDUCATION

Institutional: Yale University School of Medicine: M.D.
Cum Laude Highest
Aug 1986 to May 29, 1990

York College City University of New York: B.S.
Aug 1983 to June, 1986

Non-Institutional: Not applicable

Certification & Licensure:

Diplomate of the American Board of Urology	Mar 2000 – Present
National Board of Medical Examiners Certification	Apr 1994 – Present
Florida Medical License (ME 0069645)	Dec 1995 – Jul 2017
California Medical License (G083830)	Jun 1997 (inactive)
Drug Enforcement Agency Certification	Jul 1996 – Sep 2017
Basic Life Support Certification	06/26/15 – 06/26/17

EXPERIENCE

Academic:

Clinical Professor of Surgery (Urology) – Herbert Wertheim College of Medicine – FIU	11/2010 – Present
Director of Fellowship: Female Urology, Voiding Dysfunction, Reconstruction Memorial Hospital Miramar, South Broward Hospital District	6/2010 – Present
Professor of Urology, Voluntary University of Miami, Miller School of Medicine	6/10 - Present
Tenured Professor of Urology: Department of Urology University of Miami – Miller School of Medicine	6/2008- 6/15/10
Associate Professor of Urology: Department of Urology; University of Miami – Miller School of Medicine	6/2003 – 6/2008
Program Director: Urology Residency University of Miami – Miller School of Medicine	6/2002 – 6/15/10
Assistant Program Director: Urology Residency University of Miami – Miller School of Medicine	6/1999 – 6/2002
Clinical Instructor: Female Urology, Urodynamics & Reconstruction; University of California Los Angeles (UCLA)	07/1997 – 06/1998

Fellow in Female Urology, Urodynamics & Reconstruction University of California Los Angeles (UCLA)	07/1997 – 06/1998
Fellow: Reconstructive Urology & Urodynamics Jackson Memorial Hospital	07/1996 – 06/1997
Chief Resident: Urology Baylor College of Medicine	07/1995 – 06/1996
Resident: Urology Baylor College of Medicine	07/1992 – 06/1996
National Medical Fellowship Yale University	08/1988 – 05/1989
Biomedical Research Support Program Minority York College City University of New York	08/1983 – 06/1986

Hospital Appointments:

Staff Urologist for Spinal Cord Injury Section VA Medical Center, Miami Florida	1998 – 2010
Director of Urodynamics Laboratory VA Medical Center, Miami Florida	1998 - 2010
Cedars Medical Center, Miami, Florida Attending Physician	1998 - 2008
Veterans Affairs Medical Center, Miami, Florida Attending Physician	1998 – 2010
Sylvester Comprehensive Cancer Center/ University of Miami Hospital & Clinics, Attending Physician	1998 – 2010
Jackson Memorial Hospital, Miami, Florida Attending Physician	1998 – Present
Memorial Hospital System (Miramar, West, Regional, Pembroke) Attending Physician	2009 – Present
Weston Outpatient Surgical Center Attending Physician	2004 – Present

Aventura Hospital

2015 – Present

University of Miami Hospital & Clinics
Attending Physician

1998 – Present

Professional Board Responsibilities

2010 – Present

- Executive Board Member: Society of Urodynamics, Female Pelvic Medicine and Urogenital Reconstruction (SUFU)
- Executive Board Member: Society of Genito-Urinary Reconstructive Surgeons (GURS)

PUBLICATIONS

International Committee Medical Journal Editors (ICMJE) Current Bladder Dysfunction Reports:

1. **Angelo E. Gousse** and Seth P. Lerner
Chapter: Hematuria
Urology and the Primary Care Practitioner
Mosby-Wolfe, Medical Communications, 1997
2. **Gousse AE** and Leboeuf L.
Chapter: Voiding Dysfunction in Multiple Sclerosis
Textbook of Neurogenic Bladder - Adults and Children
Martin Dunitz, Ltd. 2002
3. Posey TJ, **Gousse AE**
Chapter: Urethral Strictures
Medicine, OB/GYN, Psychiatry, and Surgery
Medicine Journal, May 2002, Volume 3 (5)
4. **Angelo E. Gousse**, Robert R. Kester, Patricia M. Byers: Complications in Surgery and Trauma. Informa Healthcare. 2006, Edited by Stephen M. Cohen (591) 48.
5. **Angelo E. Gousse** and Robert R. Kester
Chapter (48): Urethral, Scrotal, and Penile Surgery
Complications in Surgery and Trauma
Informa Healthcare, USA , Inc, 2007

6. Hari S.G.R. Tunuguntla and **Angelo E. Gousse**

Other Research Projects:

Implementation into dogs of the Politano-Sayet-Sutherland flow control device for the treatment of severe urinary incontinence. Gomez Christopher, PI.

Professional Funded Research:

Vaginal Reconstruction in the Neobladder Patient: Fistula and Prolapse. Curr Bladder Dysfunct Rep (2013) 8:351-357. Cory D. Harris, Angelo E. Gousse.

A Complete Continence as primary Metric for OnabotulinumtoxinA Overactive bladder Treatment Success: A multicenter, Double-Blind, Randomized, Placebo-Controlled, Parallel Group Study in Overactive Bladder Patients with Urinary Incontinence. **Gousse AE, PI.**

A Study Evaluating the Efficacy and Safety of BOTOX and Solifenacin in Patients with overactive Bladder and Urinary incontinence. **Gousse AE, PI.**

A phase 3, randomized, double-blind, parallel group, placebo controlled, multicenter study to assess the efficacy and safety of Beta 3 agonist YM-178 (25mg and 50mg qd) in subjects with overactive bladder symptoms. **Gousse AE, PI.**

A Multicenter, Long-term Follow-up Study of the Safety and Efficacy of Two Dose Levels of BOTOX® (Botulinum Toxin Type A) Purified Neurotoxin Complex in Patients with Urinary Incontinence Due to Neurogenic Detrusor Overactivity. **Gousse AE, PI.**

Botulinum-A toxin injection for overactive bladder: A non-surgical approach. **Gousse AE, PI.**

A Placebo-Controlled, Randomized, Safety and Efficacy Study of BOTOX® (Botulinum Toxin Type A) Purified Neurotoxin Complex in Patients with Neurogenic Detrusor Overactivity and Neurological Respiratory Impairment. **Gousse AE, PI.**

A multicenter, double blind, randomized, placebo-controlled, parallel-group study of the safety and efficacy of a single treatment of Botulinum toxin-A followed by a treatment with Botulinum toxin-A as applicable in patients with Idiopathic Overactive bladder with urinary incontinence. **Gousse AE, PI.**

A multicenter, double blind, randomized, placebo-controlled, parallel-group study of the safety and efficacy of a single treatment with two doses levels of BOTOX (Botulinum toxin Type A) purified neurotoxin complex followed by treatment with BOTOX in patients with urinary incontinence due to neurogenic detrusor overactivity. **Gousse AE, PI.**

A multicenter, long-term follow-up study of the safety and efficacy of BOTOX (Botulinum toxin Type A) purified neurotoxin complex in patients with idiopathic overactive bladder with urinary incontinence. **Gousse AE, PI.**

A 12 week, randomized, double blind, placebo controlled, parallel group, multicenter trial to evaluate the efficacy and safety of Fesoterodine flexible dose regimen in vulnerable elderly patients with overactive. **Gousse AE, PI.**

8/04 – 08/06 Kava, Bruce R., MD [4836.01] A Randomized Trial Comparing a Transverse Incision with the Traditional Longitudinal Incision in Men Undergoing Radical Prostatectomy Co-Investigators: Gousse, Angelo E., M.D.

04/07– 01/11 Multi-Center, Double-Blind, Randomized, Placebo- Controlled Parallel-Group Study of the Safety and Efficacy of Repeat Treatment with Two Dose Levels of Botox (Botulinum Toxin Type A) Purified Neurotoxin Complex Followed by a Treatment with Botox in Patients with Urinary Incontinence due to Neurogenic Detrusor Overactivity Angelo Gousse, MD Principal Investigator Sponsor: Allergan Total Direct Funds: \$394,883 Total Award \$498,95

08/06 – 08/08 Botulinum Toxin Type-A Injection for Detrusor Hyperreflexia in Spinal Cord Injury: A Non-Surgical Approach Allergan Total Award \$50,000

01/06 – 06/07 A Multi-Center, Double-Blind, Randomized, Placebo-Controlled, Dose-Response Study of the Safety and Efficacy of a Single Treatment of Botox (Botulinum Toxin Type A) Purified Neurotoxin Complex in Patients with Idiopathic Overactive Bladder with Urinary Urge Incontinence Angelo Gousse, MD Principal Investigator Sponsor: Allergan Total Direct Funds: \$311,240 Total Award \$389,05

04/05 – 03/07 Evaluation of Patients Who Have Completed More Than 180 Days Of Active Treatment with Ro115-124NN18191 Hoffman-La Roche Total Award \$ 14,468

06/04 – 05/08 Botulinum Toxin Type A Injection for Overactive Bladder: A Non-Surgical Approach Angelo Gousse, MD Principal Investigator Sponsor: Allergan -Total Direct Funds: \$256,000 total Award \$320,000

06/03 – 03/07 An Open-Label Extension for Treatment of Incontinent. Patients who have completed a Ro115-1240 study NN16586 Hoffman-La Roche - Total Award \$ 57,425

11/03 – 04/06 PI: Gousse, Angelo E., M.D. Protocol No.: [3216.01] Title: Botulinum-A Toxin Injection for Detrusor Hyperreflexia in Spinal Cord Injury: A Non-Surgical Approach Co-Investigators: Gomez-Marin, Orlando, Ph.D. Tunguntla, Hari, M.D. Research Coordinators: Cason, Lottie, BS.

06/02 – 06/06 Jacobs, Patrick L., Ph.D. [7927.04 [B2656C]] Center of Excellence in Functional Recovery in Chronic Spinal Cord Injury Co-Investigators: Alexander, Craig, Ph.D. Banovac, Kresimir Gousse, Angelo E., M.D

07/02 – 06/06 Principal Investigator. Funded by the Miami Veterans Affairs Hospital/Center for Excellence in Functional Recovery in Chronic Spinal Cord Injury: Botulinum-A toxin injection for detrusor hyperreflexia in SCI: A non surgical approach. (\$74,000.00)

10/03 – 12/04 Safety and effectiveness of Duloxetine in women with symptoms mixedurinary incontinence. Eli Lilly Total Award \$115,446

07/02 – 07/03 Principal Investigator. Funded by MERCK: Rofecoxib for Postoperative Analgesia After Pelvic Floor Reconstruction Surgery. (\$30,000.00)

05/02 – 11/03 Principal Investigator. Funded by Roche: Randomized, Double-blind, Placebo-controlled, Dose-finding Study to Evaluate the Effects of a Partial Alpha 1A/1L-adrenoceptor Agonist, Ro115-1240, in Women with Stress Urinary Incontinence and Mixed Urinary Incontinence. (\$150,000.00 for 20 patients)

12/01 – 12/02 Principal Investigator. Funded by Allergan: BOTOX – Intravesical Injection in the Management of Refractory Overactive Bladder. (\$100,000.00)

05/01 – 04/02 Co-Investigator. Funded by the Fishbein Family Interstitial Cystitis Research Grant: Elevated urinary total/sulfated glycosaminoglycan ratio: A cause or effect of interstitial cystitis. (\$28,503.00)

11/98 – 07/02 Principal Investigator. Kidney Foundation of South Florida: The role of frequent micturition in diabetic rat bladder hypertrophy. A study of insulin-like growth factor binding protein expression. (\$4,000.00)

06/00 – 05/01 Co-Investigator. University of Miami School of Medicine: Instrument Grant. (\$13,647.00)

11/96 – 7/97 Co-Investigator. Kidney Foundation of South Florida: Laparoscopic assisted two-stage ureterocystoplasty with preservation of the renal units: a pig model. (\$4,000.00)
PI- Penile Vibratory

9/10/03 – 08/31/07 Co-Investigator: NIH/NIDDK R01 DK066100-01 Title: Glycosaminoglycans for IC pathophysiology and prognosis (PI: V. B. Lokeshwar) (Direct support \$300,000 Indirect cost \$152,292)

Reviewer for the Journal of Rehabilitation Research and Development.	2002– Present
Reviewer for Urology- Gold Journal	2001– Present
Reviewer for Neuro Urology Urodynamics	2002– Present
Reviewer for the British Journal of Urology	2007– Present

23. Professional and Honorary Organizations:

American Urological Association (AUA): Active Member
Southeastern Section, American Urological Association: Active Member
American Association of Clinical Urologists, Inc. (AACU): Active member
Society for Urodynamics, Female Pelvic Medicine and Urogenital Reconstruction (SUFU): Active Member
Society of University Urologists: Active Member
Florida Urological Society: Active Member
American Spinal Injury Association: Urology Committee Officer and Member
International Continence Society Active Member
Society of Urologic Prosthetic Surgeons (SUPS): Active member
Societe Internationale d'Urologie
European Association of Urology: Corresponding Member
Haitian Association of Physicians Abroad (AMHE)
Society of Genitourinary Reconstructive Surgeons (GURS) – Active Member
Society of Salk Scholars
Strathmore's WHO'S WHO

Honors and Awards:

Best Doctors in America 2005-2014, Roster

University of Miami School of Medicine: 2007 Urology Teacher of the year Award

“2006-2007 Attending of the Year Award”: awarded by the chief residents for excellent mentoring and above all for being excellent residents advocate. University of Miami Department of Urology.

Finalist: 2003 ACGME’s Parker J. Palmer “Courage to Teach” Award. Nominated by the Accreditation Council for Graduate Medical Education (ACGME) for continuing to “...inspire generations of residents with the courage to teach”.

“2002-2003 Attending of the Year Award”: awarded by the chief residents for excellent mentoring and above all for being excellent residents advocate. University of Miami Department of Urology.

“1999-2000 Attending of the Year Award of Excellence”: awarded by the chief residents for outstanding dedication and commitment to patients, colleagues and residents. University of Miami Department of Urology.

NON-INSTITUTIONAL:

Pfizer Scholars in Urology – July 1999

Institutional Residency:

Cullen Award [Outstanding Research by a Resident], Scott Department of Urology
June 1994

Harry M. Spence Award [Resident Essay First Prize], Texas Urological Society
June 1995

American Federation Urologic Disease (AFUD) Scholarship Awarded March 1996

Institutional Medical School:

Cum Laude Highest Yale Medical School Academic Distinction May 1990

Cortandt -Van Rensselaer Creed [Sigma Pi Phi], M.D. Cum Laude Award May 1990

Institutional College:

Valedictorian, City University of New York (CUNY), York College June 1986

Phi Beta Kappa (Honor Society) June 1986

Summa Cum Laude (CUNY) June 1986

Dr. Jonas E. Salk Scholarship [Outstanding Research Potential], CUNY May 1986

Sigma Xi [Scholarly Research] June 1986

Chancellor's Honor Roll - CUNY June 1986

Honors in Biology – CUNY York College June 1986

25. Post-Doctoral Fellowships

Fellowship in Urodynamics, Female Urology, and Pelvic Floor Reconstruction. University of California Los Angeles. July 1997 – June 1998

Fellowship in Urodynamics & Reconstruction. University of Miami Department of Urology. July 1996 – June 1997

26. Other Professional Activities:

Invited Lectures:

Effect of Botulinum Neurotoxin on the urinary bladder: Novel insight into mechanism of action. Meeting: Society for Basic Urology Research (SBUR) November 6, 2009.

State of the Art lecture; Instabilite Vesicale Rebelle: de Nouveaux Algorithmes Therapeutiques French Urologic Association 100th Anniversary Meeting- Paris, France, November 30, 2006.

State of the Art Lecture; Simultaneous vs Bladder Neck Incision and Incontinence Surgery; Genitourinary Reconstructive Surgeons (GURS) Association Meeting AUA 2007 Anaheim, CA.

Columbian Urologic Association- Visiting Professor- 1- Botulinum Toxin for Overactive Bladder Management 2- Pelvic Organ Prolapse Repair Using Synthetic Mesh , Medellin, Columbia 2008

Indian Urologic Association Lecture- Interstim Scaral Nerve Modulation versus Botulinum Toxin For Idiopathic Overactive Bladder American Urologic Association Meeting (AUA), Chicago Illinois, 2009

2007 Florida Urological Society Meeting. Aug 30th – Sept 2nd Miami FL.
The Role of Botulinum Toxin in the Management of OAB. (Invited Speaker)

2007 Florida Urological Society Meeting. Aug 30th – Sept 2nd Miami FL.
Pitfalls in Urodynamic Testing: Extraneous Influences on Results.
(Invited Speaker)

2007 Society of Genitourinary Reconstructive Surgeons Meeting. 17th May Anaheim CA.
Invited Speaker. Simultaneous versus delayed bladder neck incision and incontinence surgery

Sixth Annual Wellness Plan for the Total Man: The benefits of regular prostate cancer screenings for African-American men. Key Note Speaker, behalf of the Florida Department of Health office of Minority Health and Access Health Solutions April 2006.

100th Congres Francais d'Urologie Conference, 29 November-2 December 2006. Chirurgie du prolapsus: résultats (Moderator).

10th Minas Gerais Urology Conference (X Congresso Mineiro de Urologia), Ouro Preto, Brazil, June 2005 Brazil Courses/lectures x 5-6, 2005

Stress Urinary Incontinence: What Every Health Practitioner Should Know. Pri-Med Stress Urinary Incontinence Educational Series; May, September, November, and December 2004 Atlanta, Ga.

State of the Art Management of Overactive Bladder. Florida Academy of Physician Assistants. Altamonte Springs, Fl. August 2004

Clinical Lessons in Urology. Miami Dade Community College Medical Campus Class Lecture. Miami, FL. July 2004

Duloxetine Urinary Incontinence Scientific Advisory Board. Eli Lilly and Company and Boehringer Ingelheim Educational Lecture. Tempe, Az. April, 2004

Managing Sexual Health in Men and Women. 5th Annual National CME Dinner Meeting of the University of North Carolina at Chapel Hill and the National Foundation for Sexual Health Medicine (NFSHM). Miami, FL. October 2003.

Female Sexual Circuitry: Sexual Response and Dysfunction. Boston University School of Medicine and National Foundation for Sexual Health Medicine's Sexual Health Symposia. Miami, FL. September 2003

Lecture on Overactive Bladder. Dade County Medical Association Women's Health Symposium. Miami, FL. September 2003.

Erectile Dysfunction. Association of Haitian Physicians Abroad 30th Annual Convention. Ottawa, Québec. July 2003.

Managing Sexual Health in Men. University of North Carolina School of Medicine and National Foundation for Sexual Health Medicine. Miami, FL. November 2002.

Tension-free Vaginal Tape for Stress Urinary Incontinence: Considering the Pros and Cons. Baptist Health South Florida Urology Conference (CME sponsored). Miami FL. November 2002.

State of the Art Management of Urinary Incontinence. Association of Haitian Physicians Abroad, South Florida Chapter. Miami FL. April 2002.

Female Sexual Dysfunction. Boston University School of Medicine/National Foundation for Sexual Health Medicine: Sexual Health School. Miami, FL March 2002.

Pharmacological Management of Urinary Incontinence. Baptist Hospital OB/GYN Conference. Miami FL. March 2002.

Etiology and differential diagnosis of overactive bladder. New Directions in the Management of the Overactive Bladder Medical Education Activity sponsored by Baylor College of Medicine and ALZA Pharmaceuticals. Rochester, NY. August 2001.

Management of Adenocarcinoma of the Prostate. Association of Haitian Physicians Abroad 27th Annual Convention. Fort Lauderdale, FL. July 2000.

Difficult Problems in Urology: Interstitial Cystitis. 2000 Florida Urological Society Annual Meeting. St. Petersburg, FL. September 2000.

Urinary Fistulas: Vesico-Vaginal Fistulas. 2000 Florida Urological Society Annual Meeting. St. Petersburg, FL. September 2000.

Neuromodulation/Biofeedback: How to Treat Urge Incontinence When Anticholinergics Fail. Florida Urological Society Annual Meeting. Aventura, FL. September 1999.

Implantes Neuroprotésicos Para el Tratamiento de la Incontinencia. Brazilian Journalists Conference. Cedars Medical Center/International Services. Miami, FL. August 1999.

Epidemiology of Prostate Cancer in African-American Men and P53 Clonal Expansion in Prostate Cancer. Minority Biomedical Research Support Science Seminar Series. York College, Jamaica, NY. April 1999.

Urinary Incontinence. Fifth Annual Nursing Advanced Practice Council Conference. Miami, FL. November 1998.

Panelist in Conference:

2015 Florida Urological Society- 67th Annual meeting, Orlando, FL. Sept 3-6, 2015. Moderator: Angelo E. Gousse, MD: Recorded Live Surgery Videos: How the Experts do it?

2015 Florida Urological Society- 67th Annual meeting, Orlando, FL. Sept 3-6, 2015. Speaker: Angelo E. Gousse, MD: Neurogenic Voiding Dysfunction.

2015 SUFU Chicago, IL: Course in Female Urology and Voiding Dysfunction. Resident Preceptorship Program sponsored by SUFU foundation. Aug 28-30, 2015. Speaker: Angelo E. Gousse, MD: Evaluation and Management of Post-Prostatectomy Incontinence: Point Counter Point.

2015 SUFU Chicago, IL: Course in Female Urology and Voiding Dysfunction. Resident Preceptorship Program sponsored by SUFU foundation. Aug 28-30, 2015. Speaker: Angelo E. Gousse, MD: Female urethral Reconstruction: Novel Options.

AUA New Orleans, May 2015 Meetings: Course faculty: Urodynamic Evaluation and Advances in Management of Adult Neurogenic Bladder: A Case Based Approach.

AUA New Orleans, May 2015: Moderator: Podium Urodynamics, Incontinence, Female Urology: Female incontinence – Therapy II.

AUA New Orleans, May 2015: Development of a Novel Artificial Urinary Sphincter (AUS): The Precision Medical Devices (PMD) Flow Control Device (FCD) for Management of Sphincteric Deficiency using Bluetooth Technology - Angelo Gousse Miramar, Fl, Peter Sayet Fort Lauderdale, Christopher Gomez, Miami, FL

SUFU 2015 Annual Winter Meeting, Scottsdale, AZ: Presenter/Moderator. Panel: Neurogenic Bladder: Management of the Devastated Outlet.

Hollywood, FL March 2014: Podium Urodynamics, Incontinence and Uro-Gynecology: Similar Treatment Effect With onabotulinumtoxinA 100U in OAB Patients With Urinary Incontinence regardless of the Number of prior Anticholinergics or Reason for Inadequate Management of Patients OAB. **Angelo Gousse**, Christopher Nardo, Jihao Zhou, Victor Nitti. March 2014

2014 SES-AUA Meeting in Florida March 2014
Podium Presentation: Urodynamics, Incontinence and Urogynecology – Allergan BOTOX OAB pooled XXX+XXX 095+520 studies Efficacy by Anticholinergic Use.

ALLERGAN Urology Speaker Training - March 2014 OverActive Bladder Core Deck (Injector Training Programs) and OverActive Bladder Patient Education Deck

SUFU 2014 Annual Winter Meeting, Miami FL: Presenter/Moderator
Similar treatment Effect With onabotulinumtoxinA 100U in OAB Patients With Urinary Incontinence regardless of the Number of prior Anticholinergics or Reason for Inadequate Management of Patients OAB. **Angelo Gousse**, Christopher Nardo, Jihao Zhou, Victor Nitti. March 2014

SUFU 2013 10th Annual Winter Meeting, Las Vegas, NV: February/March 2013
Presenter/Moderator

SUFU 2013 August 2013 - Chicago, IL: Course in Female Urology and Voiding Dysfunction – Resident Preceptorship Program: Neurogenic Bladder sessions.
Speaker: Advances in the Management of Neurogenic Bladder – **Panelist:** Urodynamic cases and Panel Discussion of Neurogenic Bladder.

Haitian Association of Physicians Abroad (AMHE) 41st Annual Convention Atlantis Paradise Island, Bahamas 2014

Haitian Association of Physicians Abroad (AMHE) 40th Convention July 2013- St. Maarten Speaker: Emergencies in Urology.

ALLERGAN Urology Speaker Bureau – April 2013 Tampa, FL – Use of BOTOX, HealthCare Professionals information

ALLERGAN Urology Speaker Bureau – March 2013 Dallas, TX – Use of BOTOX HealthCare Professionals information

ALLERGAN Urology Program Topeka, KS August 2013. Speaker: Bladder Physiology, Mechanics of Voiding, OAB

SUFU 2013 Chicago, IL: Pelvic Organ Prolapsed and Reconstruction: Painful Bladder Syndrome/Interstitial Cystitis

Speaker - WATSON Program - November 2013: Pharmacologic Therapy for BPH & OAB

Expert Panel Meeting: October 2013 Focus on Overactive Bladder among older adults.
Faculty Director: Comparative analysis of outcome data between older and younger adult patients with OAB

Faculty Director: Safety considerations in choosing the optimal treatment option for the older adult with OAB: identify Key Points and Assign them to Small Groups

Annual Society for Urodynamics and Female Urology, Current topics in Neuromodulation, Botulin Toxin Type A vs. Sacral Neuro Modulation (Panel Member). Phoenix, AZ. 1-5 March, 2011.

Annual Society for Urodynamics and Female Urology, Urinary Frequency and Urge Urinary Incontinence in Botox Repeated Injections: Outcome data using voiding diaries and UDI-6 Correlation. (Moderated Poster) San Diego, CA.21-24 February 2007.

Allergan BOTOX[®] Advisory Board Panel Meeting: Overactive Bladder Disorders - Science and Clinical Practice (Panel Member). Budapest, Turkey. February 2005

Annual Society for Urodynamics and Female Urology: (Podium Moderator). Orlando, Florida. February 2005.

Challenging Cases in Urology 15th Annual International Conference: Female Urology & Incontinence (Chair). Miami, Florida. February 2005.

Societe Internationale d'Urologie: Abstract Presenter (5 total). Honolulu, Hawaii. October, 2004.

Annual Society for Urodynamics and Female Urology: First Annual Freestanding Meeting (Podium Moderator). Scottsdale, Arizona. February 2004

Challenging Cases in Urology 14th Annual International Conference: Female Urology & Incontinence (Chair). Miami, Florida. February 2004.

Allergan BOTOX[®] Advisory Board Panel Meeting: Overactive Bladder Disorders - Science and Clinical Practice (Panel Member). London, England. February 2004

American Society of Spinal Injury Association Annual Meeting: Urology Papers. (Moderator). Miami, Florida. April 2003

Challenging Cases in Urology 13th Annual International Conference: Female Urology & Incontinence (Chair). Miami, Florida. February 2003.

Challenging Cases in Urology 12th Annual International Conference: Female Urology & Incontinence (Chair). Miami, Florida. February 2002.

UCLA Shlomo Raz Day: Female Stress Urinary Incontinence (Moderator). Los Angeles, California. February 2001.

UCLA Shlomo Raz Day: History of Post-Prostatectomy Urinary Incontinence Treatment (Panelist): a Tribute to Drs. Kaufman and Raz. Los Angeles, California. February 2001.

UCLA Shlomo Raz Day: My New Anti-Incontinence Procedure Du Jour: The Metallic Urethral Zipper Glued to an Obstructive Mesh Tape Technique (Panelist). Los Angeles, California. February 2001.

UCLA Shlomo Raz Day: MRI to Evaluate the Female Pelvis (Evaluation). Los Angeles, California. February 2001.

Challenging Cases in Urology 11th Annual International Conference: Female Urology & Reconstructive Surgery (Chair). Orlando, Florida. February 2001.

Paralyzed Veterans Year 2000 Urodynamics Meeting: Urodynamic Evaluation of Female Urge Incontinence. Miami, Florida. March 2000.

Challenging Cases In Urology 10th Annual International Conference: Voiding Dysfunction (Chair). Miami, Florida. February 2000.

Challenging Cases in Urology 9th Annual International Conference: BPH/Voiding Dysfunction (Chair). Miami, Florida. February 1999.

Challenging Cases in Urology 8th Annual International Conference: Female Urology (Chair). Miami, Florida. February 1998.

Challenging Cases in Urology 7th Annual International Conference: Incontinence and Reconstruction (Panelist). Miami, Florida. February 1997.

TEACHING

Postgraduate Course: Adult Neurogenic Bladder: From Basics to Advanced Management. (Co-Instructor with Dr. Jacques Corcos, (Course #32 PG). American Urologic Association Meeting. Chicago Illinois, 2009

Postgraduate Course: Adult Neurogenic Bladder: From Basics to Advanced Management. (Co-Instructor with Dr. Jacques Corcos, (Course #32 PG). American Urologic Association Meeting. Orlando, Florida, 2008

Lectures in Urology: Miami Dade Community College. Miami, Fl, July, 2005

Surgical Problems and Procedures Urologic Surgery: Miami Dade Community College. Miami, Fl, July, 2004

Voiding Dysfunction: An Overview. Mechanisms of Disease Course (for 2nd year medical students). University of Miami School of Medicine. Miami, FL September 2002.

Erectile Dysfunction: An overview. Mechanisms of Disease Course (for 2nd year medical students). University of Miami School of Medicine. Miami, FL September 2002.

Updates in the Management of the Neurogenic Bladder: Surveillance Protocols in Spinal Cord Injury Patients. Spinal Injury Association and International Medical Society of Paraplegia 1st Joint Meeting. Vancouver, Canada. May 3 – 6, 2002.

Incontinence & Voiding Dysfunction. Mechanisms of Disease Course (for 2nd year medical students). University of Miami School of Medicine. Miami, FL February 2002.

Evaluation of Urologic Disease. University of Miami School of Medicine Sophomore Clinical Skills Program lecture series. University of Miami School of Medicine. Miami, FL April 2001.

Incontinence & Voiding Dysfunction. Mechanism of Disease Course (for 2nd year medical students). University of Miami School of Medicine. Miami, FL April 2001.

Postgraduate Course: Vaginal Reconstructive Surgery. (Co-Instructor with Dr. Shlomo Raz, Course # 009865). American Urologic Association Meeting. San Diego, California 1998.

28. Teaching Specialization:

Urology Residents: University of Miami Department of Urology. 08/98 to Present.

Instructor: Tension-free Vaginal Tape (TVT) for the treatment of stress urinary incontinence. University of Miami UBERC (Metro Zoo). March 9, 2002. Cadaver Course sponsored by GYNECARE

Instructor: Tension-free Vaginal Tape (TVT) for the treatment of stress urinary incontinence. Orlando, FL. May 10, 2002. Cadaver Course sponsored by GYNECARE

Instructor: Tension-free Vaginal Tape (TVT) for the treatment of stress urinary incontinence. University of Miami UBERC (Metro Zoo). June 14, 2002. Cadaver Course sponsored by GYNECARE

29. Thesis and Dissertation Advising/Post-Doctoral Student Supervision:

Fellowship Director: Female Urology, Urodynamics, & Reconstructive Surgery. University of Miami Department of Urology:

Shahar Madjar, MD	07/99 – 06/00
Robert R. Kester, MD	07/01 – 06/02
Line Leboeuf, MD	07/02 – 06/03
Hari Tunuguntla, MD	07/03 – 06/05
Rolando Rivera MD	07/05 – 06/06
Brian Cohen, MD	07/06 – 06/07
Daniel Caruso, MD	07/08 – 06/09
Tasha Cook, MD	07/09 – 06/10

Christopher S. Gomez MD 07/10 – 06/11
 Matthew S. Fine, MD 07/11 – 06/12
 Cory D. Harris, MD 07/12 – 06/13
 Nazia Bandukwala, DO 07/14 – 06/15
 Kirin Syed, DO 07/15 – Present

30. University Committee and Administrative Responsibilities:

Urology Residency Program Director: Department of Urology Residency Program. Oct. 2002 - Jun. 2010

Assistant Residency Program Director: Department of Urology Residency Program. Jul. 1999 - 2002

Medical Students Recruitment and Advisor: LCME Self-Study Committee on Minorities and Women Mar. 2001 - Present

Mentor: Minority Students Health Careers Motivation Program. Apr 2001-2010

Infection Surveillance & Policy Committee: Cedars Medical Center. 2000 -2010

Medical School Library Committee 2003 - Present

Admissions Committee of Medical School 2005 - 2010

Community Activities:

Haitian American Leadership Organization (HALO): President and Co-Founder 2005 – Present

Center for Haitian Studies: Board Member

Angelo E. Gousse, M.D. and Alfred Brandon, M.D. Prostate Cancer Awareness Day: free prostate screening. Sponsored by Cedars Medical Center. Feb 12, 2000

Radio Rico-Perez: Urinary Incontinence: Considering the Alternatives (In Spanish). 2000 – 2001

Angelo E. Gousse and Cedars Medical Center Prostate Cancer Awareness Day: free prostate screening. Sponsored by Cedars

Medical Center.	June 16, 2001
Radio Carnival: Prostate Cancer Awareness (in Haitian Creole).	2001 – 2002
Prohealth Resources: Editorial Board	2001– 2005
Urologic Consultation in Creole Community Radio Show – Weekly Radio Show (1580 AM and 1700 AM)	2007 – Present
America TV – Channel 41 – Hispanic TV Medical Guest Speaker	Jan 2010
Island – TV – Channel 578, Medical Awareness Caribbean Network Magazine – Medical Editor and Guest Writer	2010 – 2011

MISSION:

Scientific Committee Chair Haitian American Urology Group (HAUG)

2nd Annual Joint Haitian American Urology Conference (Oct 31, 2014 – Nov 1, 2014)
Petionville, Haiti. Lectures from US and Haitian urologists and Haitian Resident Forum.
CME activities, Strategic discussions regarding urological education and training in Haiti,
roundtable with Haitian government officials.
